Results **251** - **260** of about **24,800** for **map data and mesh subdivisions**. (**0.36** seconds)

Show options...

1. Caltech Multi-Res Modeling Group - Publications

   Apr 10, 2006 **...** Applications to manifold-valued **data** sources of a geometric nature (motion, orientation, **...** A surface parameterization is a **map** between two surfaces. **.....** Dual sqrt3 **subdivision** applied to an irregular hex control **mesh ...**
   www.multires.caltech.edu/pubs/ - Cached - Similar

2. [PDF] interpolation. 2. it is C1 everywhere except for the **data** sites ...

   File Format: PDF/Adobe Acrobat - Quick View
   by GP Bonneau - Cited by 3 - Related articles - All 14 versions
   mesh. The ability to deal with arbitrary triangular meshes, without **subdivision ....** The main idea is to **map** the symmetric Dupin horn cyclide, **....** The standard de Casteljau **subdivision** algorithm computes new Bezier representa- **...**
   www.dagstuhl.de/Reports/96/9622.pdf

3. [PDF] Conversion Specifications for **MeSH** to USMARC Authority Format

   File Format: PDF/Adobe Acrobat - Quick View
   Entry **map** system supplied: 4500. A base **data** set is created following all **....** "n" (Not applicable) is the appropriate code for **subdivision** and node label **...**
   www.nlm.nih.gov/**mesh**/marc99.pdf - Similar

4. Digital Library

   KW - **subdivision** connectivity. KW - normal **map**. KW - multiresolution editing **...** This leads to various advantages including efficient **data** storage, and easy acquisition of an interpolation **mesh** with arbitrary **subdivision** level. **...**
   www.computer.org/portal/web/csdl/doi?doc=abs/proceedings/... - Cached

5. TopoGun: Retopology tool released. - SpinQuad LightWave 3D Community

   1 post - 1 author - Last post: Aug 24

When you move the retopologized **mesh** components around, **...** TopoGun's baking and **subdivision** modules are fully multithreaded and up to 256 CPU cores are supported. **...** TopoGun can handle extremely highres 3D **data**. **...** Instead of baking one **map** at a time as most of the baking engines do, **...**

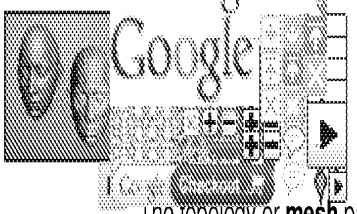
6. Mapping of Ultramafic Rocks in a Heavily Vegetated Terrain Using ...

by GL Raines - 1982 - Cited by 2 - Related articles
erence to the geologic **map data**. A greatly simplified field geologic **map** of the area is shown in **....** tramafic units, we collected -80-**mesh** samples of A **....** Reflectance spectra for soil samples from **subdivisions** of ultramafic rocks. **...**
econgeol.ge... eprint/77/7/1755.pdf

7. YouTube - : Artifacts



The topology or **mesh** pattern of a model can drastically affect the smoothing of a model. Here Greg Petchkovski demonstrates how to **...** A must watch **...**
www.youtube.com/watch?v=k_S1INdEmdI - Related videos

8. Luxrender observations – part I | Blender Minutes

Feb 10, 2009 **...** I think it is better to let lux handle the **subdivision** and **...** reduces the size of the resulting **mesh data** file and thus the export and load process. **...** combination with an angular environment **map** as single light setup. **...**
www.loramel.net/blender.../luxrender-observations-part-I/ - Cached - Similar

9. 3DSOM Pro Feature List

(See Compressing the geometry with **subdivision** surfaces section in the online User Guide). new **...** Interactive **mesh** decimation to reduce polygon count to required level. **...** Fully automatic texture **map** creation - automatic UV unwrap. **...** by extra view-dependent texture **data** for improved model appearance. new **...**
www.3dsom.com/features/featurelist.html - Similar

10. [PDF] CURVATURE-CONTINUOUS BICUBIC **SUBDIVISION** SURFACES FOR POLAR ...

File Format: PDF/Adobe Acrobat - View as HTML
by A MYLES - 2008 - Cited by 1 - Related articles - All 3 versions
The underlying **data** structure on which we operate is the polar configuration which **...** The spline ring corresponding to qm is a **map** Gmqm : [2λm, **.....** radial **subdivision**

along the spokes of a spherical **mesh** by using the special RTS **...**
